PORT LIMON, Costa Rica, May 13.—A great earthquake, rocking the interior of Costa Rica, levelled scores of buildings in San Jose, the capital, last night. Details are lacking on account of prostrated telegraph wires.

The first reports brought by courier say that immense damage was done. These reports are probably exaggerated because of the terror of the inhabitants. People in the interior are reported as panic stricken and some have been driven insane from fright. Preparations are being made here to rush relief to the interior and to restore the telegraph and telephone lines.

Guatemala Has Heavy Shock
PORT BARRIOS, Guatemala, May 13.—A heavy earthquake shook the city of Guatemala and that entire section of the country last night according to reports received here. The damage and casualties, of any, are uncertain.

Seismograph Tells of Quake
CLEVELAND, May 13.—The seismograph at St. Ignatius College registered a heavy earthquake at 2 o'clock this morning. Indications are that the temblor occurred at Costa Rica, and that it was heavier than the one which destroyed Cartago.

ST. LOUIS ALSO HAS RECORD
ST. LOUIS, May 13.—An earthquake lasting fifty-three minutes was recorded on the seismograph of St. Louis University this morning. It is believed that the quake was centered on the west coast of South America.

REPORT OF COMMITTEE ON OAKLEY MEMORIAL

To the Citizens of Santa Ana:

The undersigned committee would report to the citizens of Santa Ana that they have met and organized, and decided to secure a life-size water color portrait of Professor E. B. Oakley, properly framed and labeled, and present the same to the Santa Ana High School, as a perpetual memorial; and for the expense, they have decided to call for subscriptions from the citizens of Santa Ana, not exceeding \$1 each, because they wish to have it represent as many patrons as possible. The portrait, properly framed and labeled, will cost nearly \$60. Subscription blanks have been prepared, and will be found at the following places, where they can be signed, and the money paid and re-
cipient for, if desired:

At the City Hall, in charge of Mr. Tedford.

At Hickox's Studio, in charge of Mr. Hickox.

At Roper's bookstore, in charge of Mr. Roper.

At the Santa Ana High School, in charge of Professor Bartlett.

At the Commercial Bank, in charge of Mr. Tedford.

Those desiring to know the character of portrait to be secured can see a similar one at Mr. Hickox's studio.

Respectfully submitted,
E. E. KEECH, Chairman,
ED TEDFORD, Sec. and Treas.

Z. B. WEST,
PARKE ROPER,
LOU P. HICKOX,
Committee on Oakley Memorial.

Good Government Republican League Meeting at Orange

Good music will be provided and ladies are cordially invited to attend. All Republican voters are urged to be present.

COMMITTEE ORANGE LEAGUE.

PRELIMINARY SET THURSDAY AT 10

Not All Witnesses Heard—Cavanagh
And Gans Not Called at the
Inquest Yesterday

Frank F. Skelly was taken before Justice of the Peace Smithwick this morning, and his preliminary hearing on the charge of murdering his wife was set for next Thursday morning at 10 o'clock.

Following the sensational developments at the coroner's inquest yesterday, a warrant for murder was issued, and Skelly was placed under arrest at the Santa Ana Hospital by Sheriff Lacy. At the time of the arrest it is believed that Skelly did not know that Mrs. T. J. Lewis, mother of the dead woman, had testified that her daughter told her that Skelly poured gasoline upon her and set it afire.

Mrs. Jennie Bradley, mother of the accused man, followed Sheriff Lacy into her son's room and was present at the time of the arrest.

Skelly was represented at the coroner's inquest yesterday by Attorney Homer G. Ames. Melrose & Ames of Anaheim, and Williams & Rutan of Santa Ana, have been retained to defend the man. Attorney Rutan was present this morning in the justice's court. He made a plea for bail, which was denied by Justice Smithwick.

Skelly rode from the hospital to the courthouse in an automobile in company with Deputy Sheriff Wilson, who was on guard at the hospital. Attorney Rutan and Silas Wright, following the reading of the complaint, charging Skelly with the murder of Ethel Skelly, the time for the preliminary examination was fixed, and Skelly was taken back to the hospital.

Probable Cause
At the examination before the coroner's jury yesterday, all the evidence in the case was not brought out. Following Mrs. Skelly's death, Coroner Smith accepted the death certificate of the physicians, not knowing that any misdeed was suspected, and it was not until just before the funeral that rumors were brought to him, and the inquest was ordered.

Mrs. Lewis's story was a sudden turn in the investigation not expected, and her testimony led to the decision not to call other witnesses who had been summoned. Among them were J. R. Cavanagh, and Gans, bookkeeper for the Celery

BROWN'S TRIAL IS SET FOR MONDAY

Alleged Briber in Lorimer Election to United States Senate Gets Early Hearing

CHICAGO, May 13.—District Attorney Wayman announced today that he will call the case of Lee O'Neil Brown, indicted for bribery in connection with the election of United States Senator Lorimer, for trial on Monday.

Brown was a Democratic leader in the lower house of the legislature. He was indicted following the investigation of the confession of Charles White that Brown had bribed him to vote for Lorimer.

The grand jury investigation is not yet over, therefore, Wayman's decision to bring the case to immediate trial caused a sensation. It is believed Wayman thinks the trial will be productive of evidence which can be used in the grand jury's investigation.

TUG RUNS DOWN LAUNCH IN HAMPTON ROADS TODAY

WASHINGTON, May 13.—The naval tug Mohawk ran down and sank a launch from the battleship Virginia today in Hampton Roads. The navy department is unable to announce whether there were any casualties or not.

GERMANS ARE DEE-LIGHTED

Kaiser and Roosevelt Are In-
formal—Colonel Visits
Institutions

BERLIN, May 13.—It was reported today that Col. Roosevelt intends to apply himself to sociological studies upon his return to America. The Colonel visited many tenements, asylums and state institutions today, taking copious notes. He declared that he will make a similar study in England. His voice is much improved.

The Germans are delighted with the democracy of Roosevelt and the Kaiser, and the fact that there is no evidence of formality in their relations. People are wondering what precedents might have been broken if King Edward's death had not prevented the Kaiser's program from being carried out.

LOS ANGELES NOT TO GET BIG MEET International 1910 Aviation Meet to be Held at Long Island

NEW YORK, May 13.—After considering a number of offers from western cities including Los Angeles, St. Louis and Washington, D. C., the board of governors of the Aero Club of America at a meeting held at noon yesterday, decided to hold the international aviation meet of 1910 on Long Island, the exact site to be determined later. The ground must be three miles in circumference for the international race of sixty miles in twenty laps.

BALLINGER KNEW LITTLE OF SITES

Confessed That He Had Never
Made Close Study of
Reclamation

WASHINGTON, May 13.—After the cross examination of Ballinger Attorney Pepper, Pinchot's representative, today produced a display advertisement from the Montgomery (Alabama) Times, requesting a complaint against the forestry service. The Ballinger defense refused to admit or disown this alleged method of gathering evidence against Pinchot.

WOULD DISCARD NAME
OF INTERIOR SECRETARY
UNIVERSITY OF WASHINGTON, May 13.—Significance is attached to the action which is to be taken by Ballinger Chapter of the Phi Delta Phi legal fraternity, located at the University of Washington. When the national body meets, Ballinger Chapter will petition to change its official title. Members refuse to discuss the matter until it is decided by the national body.

WASHINGTON, May 12.—The prosecution in the Ballinger inquiry today undertook to probe the restoration to entry of the water power sites made under the Ballinger regime. Attorney George Horton Pepper, the personal representative of Gifford Pinchot, forced Ballinger to admit that he had never made a close study of reclamation.

Pepper's activity is believed to pre-
sage the defeat of Dr. Newell and
Chief Engineer Davis of the reclama-
tion service, from Ballinger's charges.

SUIT BROUGHT TO OUST MRS. TAYLOR

Joy Interests Bring Action In Federal
Court Against Millionaire
Miner's Wife

A contest for the possession of the Taylor residence at 1620 North Main street, and other property here, is begun in the United States Circuit court in Los Angeles. This property was bought about three years ago from G. E. Preble by Charles Davenport Taylor, a millionaire mining man, bought about three years ago from G. E. Preble by Charles Davenport Taylor, a millionaire mining man.

The plaintiff in the quiet title suit is Edith Warburton Joy of New York, and the defendants are Mrs. Minnie N. Taylor and her brother, H. A. Terwilliger, of Santa Ana.

The suit demands restitution and possession of the Taylor residence at the southwest corner of Main and Seventeenth streets, and of some forty acres on C, Edgewood, Main and Santa Clara. The sum of \$2500 is asked as damages for withholding the property from the plaintiff, and an equal sum is asked as rents and profits. The plaintiff's attorneys are O'Melveny, Stevens & Milliken of Los Angeles.

Taylor, who had gained great wealth in Nevada mines, came to Santa Ana and bought property about three years ago. Some months

ago there was a separation between him and his wife, and very shortly afterward there was recorded here a deed from Taylor to Russell T. Joy, a Nevada mining man. This deed covered all of Taylor's property in Santa Ana. Very soon after this deed was recorded another came, deeding the same property from Russell T. Joy to Edith Warburton Joy, plaintiff in the suit for possession just brought in the Federal court.

Mrs. Taylor has maintained possession of the North Main street residence. Friends of Taylor here do not know where he is living at the present time.

Russell T. Joy was in Santa Ana a number of times recently attending to matters of business in connection with the other properties. The parcels named in the suit for possession are 19.92 acres on C street, excepting one-half acre deeded to C. P. Holt, who was Taylor's secretary, and 3.5 acres deeded to Minnie N. Taylor on Feb. 13, 1908; 7.5 acres on Edgewood road; 10.25 acres at the corner of Santa Clara and Main streets; 290x175 feet at the corner of Main and Seventeenth streets; 4 acres on C street.

HORRIBLE SCENES AT HANGING TODAY

Richard Quinn, Wife Murderer,
Was Victim of Slow
Strangulation

WALLA WALLA, Wash., May 13.—The thirteenth hanging in Walla Walla penitentiary, which occurred on Friday, the thirteenth, was the most gruesome ever witnessed here. For twenty minutes after Richard Quinn, wife murderer, dropped through the trap he swayed, pleading with his executioners to haul him back and spring the trap again.

Quinn was a man of abnormal strength, and the fall did not break his neck and he slowly strangled to death. From beneath the black hood he cried:

"My God, this is awful. Haul me up, boys, and drop me again. Hurry, hurry!"

The man declared his innocence of the crime before the trap was sprung.

CROWD TUMBLED IN- TO GREAT SALT LAKE

Two Women Nearly Drown and
Man Injured—Drownings
May Have Occurred

SALT LAKE, May 13.—One hundred people were thrown into the Great Salt Lake at Saltair resort last night. The water was eight feet deep and two women were almost drowned while one man was seriously injured. Owing to the density of the salt water, which strangles a person if they swallow the water, it was feared that others were drowned.

The crowd had gathered at the resort to witness a boxing contest and a stairway leading to the Coliseum gave way and the crowd fell into the water.

PRESIDENT PARTY TO FRAUD SAYS HARRISON

Wickersham's Admission As to
Summary of Glavis is
Damaging

SO SAYS HARRISON IN
ATTACK MADE TODAY

He Declares Confession is Most
Serious Ever Made by a
Cabinet Officer

WASHINGTON, May 13.—Charges of bad faith on the part of President Taft and Attorney General Wickersham in connection with the Ballinger investigation, were made in the House today by Harrison of New York.

The charges were made when Harrison withdrew his resolution calling on Wickersham for the original memoranda and other documents, connected with Wickersham's summary of the Glavis charges.

Harrison presented his resolution after the Ballinger investigation committee had refused the request of Attorney Brandeis for the papers in question.

The resolution which was referred to the committee on rules, threatened to cause a skirmish in the house. It was expected to come up Monday. Harrison, who is a Democrat, saved the regulars much embarrassment by withdrawing it.

Harrison said that Wickersham admitted that the summary of the Glavis charges were not written Sept. 11. Wickersham's conference with President Taft regarding the charges is alleged to have occurred on that day.

Harrison declared that Wickersham's admission that the document was not prepared on that date is one of the most serious admissions ever made by a cabinet officer. He declared that the confession amounts to the conclusion that the President and Wickersham agreed to furnish misleading information.

"The Attorney General," Harrison concluded, "offers a startlingly tame excuse, which I doubt if the country will receive with even respectful consideration."

COMMENCEMENT EXERCISES TO BE HELD AT HIGH SCHOOL

The senior class of the High School is busily engaged in preparation for the class play and commencement exercises.

The baccalaureate service will be held at the opera house Sunday evening, June 19, and will be the opening event of graduation week. The minister to preach this sermon has not yet been selected.

The class play will occur Wednesday evening, June 22, at the opera house. The play has been chosen for some time, and the cast has already been selected. The class is working faithfully under the direction of Miss Allie Hallet Taylor, and is endeavoring to master the parts so that an able presentation will be made. The play is very unique in its form, and complicated in its plot. The entire cast, and other details, will be published later.

A radical change has been adopted in regard to the commencement exercises. Instead of a public exercise

with admission charge, a simpler plan has been adopted. There will be no public speaker, no valedictory or salutatory address, but a short program rendered by the class will be substituted, after which the diplomas will be received. The exercises will be held at the High School, each graduate inviting a limited number of friends. This change is adopted on account of the growing unpopularity of the former exercises because of their length and tediousness.

POMONA COLLEGE ASKS POMONA FOR \$30,000

POMONA, May 13.—An active campaign has been launched in this city to raise \$30,000 towards the \$200,000 fund necessary to secure the gift of \$50,000 from the Carnegie Foundation. Already \$170,000 of the amount has been raised.

REDLANDS PASSES MOST STRINGENT LIQUOR ORDINANCE

REDLANDS, May 13.—The city trustees Wednesday night passed a new liquor ordinance, said to be the most stringent ever in force in this city. It prohibits the sales in drug stores except on physicians' prescriptions, the filling and dating of these prescriptions to prevent their use a second time, the keeping of the stock in a case exposed in the store and prohibiting the keeping in any other section of the store, at soda fountains, behind prescription counters, in back rooms and on ice in refrigerators.

For violation of the ordinance there is a heavy fine and imprisonment. Soliciting for the sale of liquor is prohibited, but the ordinance does not prevent purchase in other places and shipping of liquor into the city if it goes to private homes. The ordinance will go into effect June 1.

FEET TIRED—SO TIRED?

TIZ Makes Sick Feet Well No Matter What Ails Them

TIZ acts at once and makes tired, aching, swollen feet remarkably fresh and sore proof.

It's the sure remedy, you know, for your feet. It's for sore feet and for sweaty, bad-smelling feet, and for corns, callouses and bunions, too.

"For years I have been troubled with sore and tender feet; suffered intense pains. Have had the assistance of physicians without relief. I bought a box of TIZ, which worked a perfect cure, as it has with a great many of my friends. I would not be without it. All it requires is to be known to be universally used." A. F. Dreutzer, Chicago.

TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous exudations which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and glorifies the feet—your feet.

You'll never limp again or draw up your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new person. TIZ is for sale at all druggists, 25 cents per box, or it will be sent you direct, if you wish, from Walter Luther Dodge & Co., Chicago, Ill.

CONVENTION ON JUNE 4TH

Prohibitionists Are to Decide Whether or Not to Name County Ticket

The Prohibition party of Orange county will hold a county convention at G.A.R. Hall on June 4. The purpose of the meeting will be to determine whether or not a county ticket will be nominated, and, should it be decided to nominate a ticket, to determine who the candidates will be. Amos Wright of Fullerton, chairman of the county central committee, was in Santa Ana yesterday making arrangements for the hall.

It seems to be the intention of the leaders of the party to advocate putting a county ticket in the field.

WESTERN PACIFIC FOR SAN BERNARDINO

Will Reach Gate City by Traffic Agreement With Tonopah and Tidewater Road

SAN BERNARDINO, May 13.—General Manager John Ryan of the Tonopah & Tidewater railroad is authority for the statement that the Western Pacific railroad will secure an entrance into San Bernardino and the coast by a traffic arrangement with the Nevada railroads and the Santa Fe. The single connecting line to make a clear route for traffic will be constructed from Ely to Goldfield, which will cost about \$5,000,000. Construction work will start next fall.

RAILWAY SPECIAL AGENTS

LOS ANGELES, May 11.—A hundred and fifty delegates to the convention of Railway Association of Special Agents and Police of the United States and Canada, started for San Bernardino today, where they will be the guests of the city. After a trip over the kite shaped track, the delegates will return to San Bernardino and be the guests of the Elks' Club at luncheon. The convention adjourns here Friday.

SALARY CASE APPEAL TAKEN

Supreme Court to be Asked to Rule on Legality of Pro-viding Deputies

An undertaking on appeal has been filed by District Attorney Davis and Attorney Keech in the county salary case. They will take the case to the Supreme court for a decision.

The decision in the lower court was by Judge Willis of Los Angeles, sitting here. He decided that the salaries provided for additional deputies should be paid now, that they were legal under the present terms of office. No one contends that they will not be legal after the beginning of the new terms next January.

Pending the decision of the Supreme court, the salaries will continue to be paid by the county treasurer under the ruling of the Superior court. The case will not be heard in the Supreme court for several months, probably not until October or November.

TIME IS THE TEST

The Testimony of Santa Ana People Stands the Test

—The test of time is what tells the tale. The public soon finds out when misrepresentations are made, and merit alone will stand the test of time.

Santa Ana people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills; they do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

Mrs. J. William Sackman, 1076 West Fourth street, Santa Ana, Cal., says: "In March, 1907, one of my relatives vouched for the merit of Doan's Kidney Pills, as was proven by their use in her case. At this time, two and one-half years later, I can say that this party still holds the same high opinion of Doan's Kidney Pills and always speaks in their favor when an opportunity occurs. Doan's Kidney Pills proved of wonderful benefit in this case, relieving pains in the back and restoring strength and energy."

INCENDIARY FIRE DESTROYED GRAIN

Forty Acres Burned Over of Largest Stock Ranch in Southern California

RIVERSIDE, May 13.—Forty acres of grain owned by John H. Carruthers of Los Angeles, across the Santa Ana river from Corona, was burned Wednesday night and the buildings on the Pioneer ranch were saved with difficulty. The fire was plainly of incendiary origin and the owner of the property has offered \$100 for the arrest of the culprit. Neither the buildings nor the crop were insured. This is one of the largest stock ranches in Southern California.

WATCH THE MOSQUITO

The announcement by Professor Wheeler of Harvard that ancient Greece and Rome fell at the hands, or rather at the bill of the mosquito, is at least interesting, and if it has any foundation in fact, conveys a lesson to California. The idea is that the mosquito spreads malaria and thereby undermined the vigor of these ancient peoples.

Now the California board of health has issued a bulletin in which the astonishing claim is made that malaria is the bane of California. The conditions described, however, do not exist to any great extent in Southern California, but pertain especially to the middle and northern sections. But it cannot be denied that the mosquito exists here, and if it is his peculiar occupation to inoculate us with malaria, it is time we were taking notice of the fact. As to the manner in which this can best be done it is a matter for our board of health to determine, but that the town should be freed from the pest there can be no question.

Leaving out the question of health, there are abundant reasons for spending the necessary time and money in an anti-mosquito campaign to rid all parts of the city from this nuisance. If it is not done, the fault is with our board of health, and when you raise bumps on your face striking madly at an elusive mosquito, don't berate the mosquito, but the board of health.

The theory of the Harvard professor may be all nonsense, but the mosquito is not. The sound he makes is generally accompanied by a sense of feeling that stays after the sound has gone. It has been supposed that the fall of Greece and Rome were brought about by the moral degeneracy of the people, but what could more rapidly contribute to moral degeneracy than a swarm of mosquitoes? Leaving out the question of malaria, the amount of immorality and bad language the mosquito is responsible for is simply alarming. And it might be added that a careless board of health becomes accomplices in their sins of omission.

In all seriousness, we are told by those who have studied the question that were it not for "nature's militia," the birds, insect life would so multiply as to destroy all vegetation and render the earth uninhabitable for all higher forms of life. But the mosquito does not live on vegetable life, and nature does not seem to have provided any militia to thin its ranks. It has provided for the protection of such forms of life as have no means of protecting themselves, but man, who assumes to be the lord of creation, is supposed to take care of himself. Anent this state of affairs he has provided himself with a board of health to defend him against the mosquito, diseased milk and the like, and fancies himself secure. Officially speaking, the presumption is that he is safe from all these things, but experience shows that this is a rash presumption.

TUSTIN PIONEER WOMAN IS DEAD

Mrs. A. E. Utt, a pioneer resident of Tustin, mother of C. E. Utt, died at Tustin this morning. Several weeks ago Mrs. Utt was injured in a fall in getting out of a buggy, and from the effects of the fall she did not recover. Mrs. Utt was widely known for her high character and charities. She was a charter member of the first W. C. T. U. state convention in California, and was always a leader in W. C. T. U. work. The funeral will be held from the residence of her son in Tustin at 10 o'clock next Monday.

SAN BERDOO STILL ON TRAIL OF ENUMERATORS

SAN BERNARDINO, May 13.—The canvass of the city by special operators for the telephone companies yesterday resulted in the discovery that 25 per cent of those interrogated by the operators had not been visited by the census enumerators. Investigation discloses that some replies were received where other members of the family than those interviewed had given in the enumeration, but there still remains a big shortage in the count.

GOOD RESULTS FROM REVIVAL SERVICES

The services at the M. E. church, South, are growing in attendance and deepening in results from time to time. The oldest citizens declare that no stronger man than Dr. French has ever occupied the pulpit of this church. The preacher delivered an able sermon last night on "The Awful Results of Believing a Half Truth." There have been two conversions. There are splendid signs of a coming revival. All are asked to attend and help in the good work. Services at 2:30 and 7:45 p. m.

(Special Correspondence)

LOS ANGELES, May 13.—The state W.C.T.U. convention opened yesterday in the First Methodist church, Los Angeles, in its 27th annual convention, with Mrs. Hester Griffith, state president, in the chair. Thirty of the original Crusaders, who took part in the great fight against the saloons in 1878, starting in Ohio and sweeping over the country, appeared before the convention and told of their experiences. Among them was Mrs. Elizabeth Mills of Santa Ana.

In strong contrast to these veterans of the faith were the representatives of the Young People's branch, long known as the "Y," who also stirred the hearts of the White Ribboners.

The church was beautifully decorated in welcome of the W.C.T.U. women from all over Southern California. Among the officers appointed to serve through the convention was Mrs. Mills, who has charge of the seating of the delegates. Mrs. Emma Schulte, assistant state secretary, of Orange, made reports of the meetings of the executive committee.

In the afternoon the annual address of the president, Mrs. Griffith, was heard, in which she recommended, among other things, the following: That the W.C.T.U. should work for better laws regulating child labor; aid in transforming San Quentin into a model reformatory and in securing the indeterminate sentence for prisoners. Speaking of things accomplished by the W.C.T.U. throughout the country, Mrs. Griffith said they had succeeded in having sixty-five fraternal societies refuse to accept saloonkeepers as members. A comprehensive physiological study of temperance evils has been introduced in the schools. The Order of the Golden West refuses to serve liquor at banquets, and, in the commercial world, 39 railroads refuse to employ men who drink.

Among those from Santa Ana attending the convention are Mesdames E. B. Norman, Lea Warren, I. D. Mills, Will Blee, G. P. Hill, J. E. Kellogg, S. M. Davis, Albert Finley, Stroup, Klee, Ramsey, Wells and Miss Sarah Finley.

DOESN'T WANT EXTRA WATER

Coyle Sues Neighbor Asking Court to Grant Injunction Against Him

Robert F. Coyle of Placentia has brought suit against his neighbor, N. Frank Morse, seeking to secure a permanent injunction from the court ordering Morse not to allow irrigation water to run off of Morse's place onto Coyle's place. The complaint in the case was filed today by Melrose & Ames of Anaheim.

The complaint states that the two men have orange orchards adjoining, that frequently by reason of the dykes and ridges being insufficient to hold the amount of water turned into them, water has run over Coyle's orchards and has damaged him by washing his soil. The complaint states that unless prohibited, Morse will continue about once a month throughout the coming summer to irrigate in such a manner as to allow this flow.

A Statement of Facts

Editor Register:—Permit me to correct some misstatements published in the Blade concerning the religious services of Christ's Sanctified Holy church, on Third street, opposite Birch Park.

The Blade says meetings are held several days of the week; the truth is there are none at all on week days, except in the evening. The Blade says all day Sunday; the truth is from 3 p. m. to not later than 5:30 p. m. The Blade says its sessions last frequently until midnight; the truth is, not in a single instance has a meeting lasted later than 9:30 at night; and the only nights are Wednesday, Friday and Sunday. The Blade says that hundreds of good citizens, and all the people in the neighborhood are annoyed by the meeting; the writer has taken the rounds of all the people that could be found at home that live near the meeting place, and instead of finding hundreds or all, only one person was found that did not like the style of singing and the looks of the building, while all others said they had heard of no complaint, and that it did not annoy them. Some said they enjoyed the singing.

But we also find that some one has been around trying to get the people to protest against the meeting. Failing in this they have launched out on their own hook.

New we know that all people have not the same religious opinions, but all people should love the truth and abhor falsehood and slander. We invite the public to come and see for themselves. Seeing is believing. You may leave your pocket-book and night cap at home.

Shirt Waist Club

One of the merriest meetings of the Shirt Waist Club was the one held yesterday at the country residence of Mrs. Ernest Wakeham at Old Newport. The trip to the Wakeham ranch was made in automobiles, and the ladies received a glad welcome from their hostess. One of the pleasant experiences of the afternoon was a stroll over the ranch.

When the parlors were reached again, needlework kept fair fingers busy while the ladies chatted merrily or listened to sweet music rendered by Mrs. Charles Johnson and Mrs. Fred Chapman. Later a delicious three-course luncheon was served by Mrs. Wakeham in the dining room, where the table presented a beautiful appearance, with decorations of roses and lilies in baskets, and asparagus fern used gracefully.

Members of the club present were Mesdames C. K. Gearhart, E. R. Majors, Fred Chapman, Chas. Johnson, L. A. Wade, Robert Dubois, Joe Witt, Avrea Hall; Misses Bess Trumpey, Clara and Anna Witt. Other guests were Mrs. Wm. Dwyer, Mrs. Walter Wakeham, Mrs. Ted Cole and Miss Edith White.

Here's the finest clothing made—Hirsh-Wickwire for Men and Society Brand for Young Men. Both are so well and favorably known that it seems needless for us to emphasize their superiority. If there are any of you men who still cling to the small tailor, it would be an education for you to bring along your best-fitting "tailor made" and compare fit and workmanship. It requires seventeen tailors to make a completed Hirsh-Wickwire suit—and each man is a master in his particular part. It is impossible for the ordinary tailor to put the class of workmanship into a suit that you can obtain in a Hirsh-Wickwire.

the guests until luncheon was announced. As the ladies entered the dining room a pretty scene greeted them. The table was artistically appointed, the centerpiece being an immense May basket of roses. At each place was a smaller May basket containing pretty little pink cakes. In the luncheon course was "Summer Pudding"—chocolate cake and macaroons. Mrs. Bell's hospitality was greatly enjoyed by the ladies present.

While their friends will regret to lose these young ladies from Santa Ana, they congratulate them in their

advancement and their success in meeting the scholarship test.

Heard Maud Adams

Miss Charlotte Friend of Los Angeles, is the house guest of Miss Georgia Barnes, and expects to be in Santa Ana for a week. She came down from the city with Miss Barnes on Wednesday evening, after Miss Barnes and a number of other young ladies from Santa Ana had heard Maud Adams in "What Every Woman Knows," at the matinee performance. The others of the party were Misses Pauline Parsons, Gertrude and Louise Montgomery, Helen Eubank, Anna O'Donnell.

"At Home" for Students

The Teacher Training class that has been pursuing a course of normal

Bible study under Rev. Chas. H. Seccombe, has completed the first year of the course and will receive diplomas at the annual meeting of the State Sunday School Association to be held here next October.

To celebrate the good work done by the class in completing the first year's course, Rev. Seccombe and his wife entertained the members at an "At Home" held yesterday at their home on Spurgeon street. The event was a most pleasant one. As a hospitable closing to the afternoon delicious ices and wafers were served by the hostess.

The members of the class who were the guests of Rev. and Mrs. Seccombe were Misses Maud Powers, Amelia Randall, Caroline Eagleson, Grace Ritner, Lulu Minter, Mary Wood, Margaret Allen; Mesdames J. C. W. W. C. P. Boyer, J. H. Ed-

wards, I. L. Marchant, H. A. Wasum, L. P. Hickox, W. D. Baker, A. H. Nickell, F. J. Rogers, H. G. Allen, E. B. Norman, Bess Robinson.

A class for the advanced work of a second year of the Teacher Training work is to be formed this fall.

High School Picnic

A large number of High School students will picnic at Laguna Beach tomorrow.

Classes will be well represented, although some cannot resist the temptation to go in private parties instead of class groups. A great time is expected.

West End Thimble Club

The ladies of this club were pleasantly entertained yesterday afternoon at the home of Mrs. Mitchell on Hannah street. An abundance of sweet

peas were used in the decorations of the home, and there was a full attendance of the club members. Besides these there were present Mesdames Woodhouse and Robinson, neighbors of Mrs. Mitchell. The next meeting will be held with Mrs. M. Nisson in two weeks.

The Missionary Society of the local Presbyterian church met with Mrs. S. F. Everett on the afternoon of May 3. Thirty persons, including several men, were present to enjoy the program and especially the good things to eat, which were served by the hostesses. The occasion served also to mark the birthday of Mrs. Everett. A postal card shower and a paper written by Mrs. N. T. Lyman thirty-two years ago were features of the gathering. The paper was read by Miss Lottie Lyman and was written for and read at a dinner party given by Mrs. Everett and attended by Mrs. Lyman in 1878. The paper contained a description of the people present, the condition of the roads at that time, which was expressed by "When the highways became the low-ways," and was written as a paraphrase on the "Book of Chronicles." The reading caused much amusement and was greatly enjoyed by all.

The Ladies' Missionary Society of the M. E. church held their regular meeting at Mrs. H. Frost's last Friday.

WATER COMPANY PRESIDENT MAKES STATEMENT OF MEETING

George Dierker, president of the Santa Ana Valley Irrigation Co., who presided at the meeting of Saturday last, concerning which there has been controversy, issues the following statement as to the rules of order followed, etc.:

Editor Register:—In regard to the controversy of the adjourned meeting of last Saturday, I wish to say:

First. At a meeting called for such a purpose, it is not necessary to have a roll call.

Second. It is not necessary to con-

tinue the roll call or listing of proxies after a quorum is secured.

Third. At such a meeting it is not necessary to ascertain whether two-thirds of the stock is present or not, before proceeding to ballot; the count of the ballots will show that.

Fourth. The writer expected some one to make a motion that "we proceed to ballot," after a quorum was secured; but instead a motion to adjourn was made, which ended the meeting.

Respectfully yours,
GEORGE DIERKER.

A goodly number of ladies were present and after the regular meeting supper was served to all who would stay.

A called meeting of the W. C. T. U. met at Mrs. Edith Watson's on Monday to elect delegates to represent the Union at the state convention to be held in Los Angeles from the 12 to 16 of this month. Mrs. Virginia Fucell was elected delegate and Mrs. Blanch Merrill also a delegate.

Mrs. W. W. Wells and Mrs. D. McCoy of Long Beach, and Mrs. A. McCoy of Pasadena were guests at the home of Mrs. J. McCoy on Thursday.

Mrs. A. E. Muldoon of Los Vegas, N. M., is visiting her brother, Mr. James Upton, this week.

The beautiful flower garden of Mrs. Geo. Hodgkinson was visited at night by some children of the neighborhood and many of the choice plants destroyed. Such a spirit of malicious mischief should be severely dealt with. Although Mrs. Hodgkinson knows who the children are, unless the offense is repeated she will not appeal.

"The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also affected, and many an evil deed or impure thought can be directly traced to the impurity of the blood. **Purify the blood, and you purify the mind.** Dr. Pierce's Golden Medical Discovery, it cures and purifies the blood, thereby curing, pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist doesn't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. R. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Mr. and Mrs. F. M. Watson and Frank Watson of Los Angeles, have gone to Hot Springs to spend a week's vacation, starting Tuesday.

Earl Frost, Mr. Miles, Mr. Watson and son Frank, spent Monday fishing at Balboa.

Frank Carlyle had a house full of guests the first of the week. Dr. Metzgar of Pasadena, accompanied by his family, Joseph Metzgar and wife of Los Angeles, and James Metzgar and wife of Santa Ana.

Harry Commons was home over Sunday. Homer Watson and Zeph Day also spent Saturday and Sunday with their parents.

Miss Anna McClintock of Los Angeles is a guest at the home of her uncle, Robert McClintock, this week.

Mrs. W. B. McCoy gave a dinner party in honor of her mother's birthday on Monday. All present had a delightful time and all wished Mrs. Eva Dickey many returns of this happy occasion.

The band concert which was postponed from two weeks ago, was given in the I. O. O. F. Hall last Friday night.

Alfred Solomon is spending his month's vacation at home with his mother. He will return to teach in the summer school at Berkeley.

Anson Burlingame and W. B. McCoy went to San Pedro and Long Beach on business last Monday.

Prof. T. H. Hossack spent Saturday in Los Angeles.

Oral Hare made a business trip to Los Angeles on Thursday.

Geo. N. Barbs of the Southern California Music Co. was here Wednesday looking after the tuning of pianos.

Miss Stevenson of Pasadena is visiting her uncle and family, Mr. Lynn, this week.

Mrs. A. E. Phelps, while washing on Monday, caught her finger in the cog wheels of the wringer and crushed it so badly that Dr. Violet was called and had to amputate a part of it.

Miss Mable has entered the Brownberger Business College in Los Angeles. She will take a full course in typewriting and shorthand.

The many friends of Mrs. A. G. Phelps will be glad to know of her return on Tuesday to her mother's, Mrs. Linder's, after a very successful operation, which she underwent in the Clara Barton Hospital in Los Angeles.

R. McClintock is still quite ill at his home.

Mothers' Day was observed in the Presbyterian church here, Rev. Cochran preaching a sermon touching on the mothers. A feature of the service was that two young ladies pinned a white carnation on every one as they came in the door.

SHAVINGS MAY BE FUEL OF FUTURE

Company Will Compress San Pedro Shavings Into Tabloid Form for Use

SAN PEDRO, May 13.—The Los Angeles Pressed Wood Company, with offices in the Hellman building, has contracted for all of the spare shavings produced by the Kerckhoff-Cuzner, E. K. Wood and San Pedro lumber companies for the next three years and will soon start work on a plant which will compress the shavings into fuel in a form which will be convenient for household use. The stick as compressed will be round and from three to four inches in diameter and from thirteen to fourteen inches long. It is claimed that one of the sticks or cakes will burn for two hours in an open grate. The plant will be located on the filled land near the Kerckhoff-Cuzner planing mill and is expected to be in operation by July 1. The seven planing mills in the harbor district can furnish a large supply of the raw material.

Lard Has Been in Existence a Long Time--So Has Indigestion

Human nature is hard to solve. People who are most particular about adapting the weight of their wearing apparel to the season and its conditions, who never think of going out in a storm without an umbrella and rubbers, who would not sit in a draft, will day after day eat lard-soaked food and not realize for an instant that it is clogging their whole inner machinery. Lard is produced from hog fat, sometimes pure, always indigestible.

LOS ANGELES PRODUCE MARKET

The bottom dropped out of cherries for a few hours yesterday. Receipts were almost 900 boxes, and as a result prices on red stock went as low as 7 cents with an average of 1 cent higher. Some of the early buyers were

forced to pay 10 cents but with a wide distribution of the fruit different dealers began slashing with the result of the final decline. The early whites were offered from 5 to 6 cents. Several dealers who have just returned from the north claim that the cherry crop is not nearly as large as it was expected to be. For that reason prices will probably remain on a pretty sound basis right through. Car lot shipments have not as yet started but the beginning of next week is expected to find cherries arriving here by the car.

There was considerable firmness in the market of staples. There has been a greater demand for butter and eggs in the past few days than anticipated, and the reaction has been sudden. In San Francisco butter and eggs have gone up 2 cents in a single day and the advances here have resulted.

Receipts of eggs were only 230 cases. Case count, which sold as low as 22 cents the day previous were back to 23 cents, and some sold at a premium over that figure. Petaluma eggs were offered at 30 cents, but buyers were not plentiful.

Arrivals of butter were immense, but that did not keep the market from going up to 28½ cents on creamery extra and 28 cents on firsts. The receipts totaled 79,393 pounds. Cooking butter was also advanced, going to 25 cents.

Cheese was no exception to the rule. Northern fresh advanced to 17 cents, eastern twins to 18 cents and daisy to 18½ cents a pound. Receipts of cheese were only 360 pounds and sales were light.

A few changes in potato prices were made. The changes were all downward on northern stock. Local early potatoes are now selling from 50 to 60 per box in small quantities and are bringing \$1.50 per hundred when sold by the sack. Receipts of spuds were only 147 sacks. Onions were unchanged and sold fairly well. There were no changes in beans and small whites were very weak.

Lettuce advanced in the vegetable list, good stock selling up to 65 cents a crate. Celery is up on an average of \$3.50 per crate. Cabbage is selling at \$1.00 per sack. Asparagus is also up, bringing from 5 to 6 cents a pound. Beans were firm at 8 cents.

AXLE BROKE CAR DITCHED

Orange Men Had Narrow Escape—Thrown From Automobile Wednesday

Orange News: W. C. Pixley and Dr. H. A. Talley narrowly escaped injury yesterday when an axle of the former's car broke while running at a speed of about 35 miles an hour, and the two men were thrown from the machine.

The accident occurred between San Pedro and Los Angeles while a party composed of Messrs. Pixley, Talley, Wm. H. Brown, H. Schaffert and A. H. Littlefield were driving to the beach town. In two machines the party was driving over good roads and running fast. Traveling at the rate of 35 miles an hour, the axle of Pixley's machine is supposed to have "crystallized" and broke off, throwing the machine into the ditch and the men out of the car. They miraculously escaped injury, a new axle was secured, the machine repaired and the journey continued.

Mr. and Mrs. E. F. Nelson of Greenfield, Monterey county, came to Orange today to visit their daughter, Mrs. Byron Newell, who is ill. Mr. Nelson will return to the north in a few days but Mrs. Nelson will remain until her daughter is able to travel and will then take her home to visit and recuperate.

OLD CHEST FULL OF CERTIFICATES

Man Who Was County Patient Had Stock Galore Found After Death

Letters of administration were issued to Public Administrator Smith today on the estate of William H. Newcomb, who died at the hospital as a county patient. He was not on the regular indigent list, but his expenses at the hospital were to be paid by the county, presumably because Newcomb had not money of his own. After Newcomb's death, the public administrator found a small chest of ancient make that was full of papers, the value of which is unknown. There are twenty or twenty-five certificates of stock in various companies, principally oil companies, most of them bearing dates within the last three or four years. Two certificates of stock in the Pacific Coast Soda Company were found. Life insurance papers were found, also. The public administrator has not had time to investigate as to the value of these papers. The heirs are in the East.

TWO YEAR OLD BOY FOUND NEAR CREEK

Little Fellow Was Thought to Have Been Kidnaped—Was Too Weak to Walk

PORTLAND, May 13.—Kenneth, the two-year-old son of Tracy Wood, who was believed to have been kidnaped, was found today on the edge of the creek at Kusa station. A farmer's wife heard the baby's cries and found him lying in the creek in four inches of water, too weak to walk.

Despairing Was Search
PORTLAND, Ore., May 13.—Although posses, friends and parents have searched for forty-eight hours, no trace has been found of Kenneth Wood, aged two years, who disappeared from a go-cart in the business section of the city last Wednesday. The police are certain he was kidnaped. Several Gypsy camps have been searched fruitlessly. There has been no word from the supposed kidnapers.

HEAVY QUAKES IN CENTRAL AMERICA

coast line which has been going on for fifty years, and that more may be expected.

Telegraph Wires Useless

FORT LIMON, Costa Rica, May 12.—The telegraph lines into the interior were put out of commission suddenly today. It is feared another severe earthquake has visited the region devastated last week.

LOCAL CITIES FELT

SHAKE LAST NIGHT

LOS ANGELES, May 13.—The government weather bureau has received reports of slight earthquakes in San Bernardino and Redlands, at 10:20 last night. The chronometer in the bureau stopped at the same hour, although no one is reported to have felt the quake here.

Needles Had Sharp Shake
NEEDLES, May 13.—Needles felt a sharp earthquake at 10:35 last night. Dishes rattled and people ran into the streets. There was no damage.

PRELIMINARY IS SET FOR THURSDAY AT 10

(Continued from Page One)

Growers' Association.

Important Witnesses
Both of these men will probably be called at the preliminary examination, and both are important witnesses.

Cavanagh was the first witness to aid in putting out the flames after Mrs. Skelly had run from the house. Cavanagh was present when Mrs. Skelly said that "Frank did it," or "Frank, why did you do it?" Cavanagh and Gans put out the fire that was still blazing in the pantry after Mrs. Skelly was taken into the house. He found the gasoline stove lighted. This stove sat just outside the pantry door, an edge jutting in front of the entrance. On the floor the two men found a broken fruit jar. The marks of flame in the pantry were all high. There was no burning on the floor nor for two or three feet up on the walls and shelves.

Gans undoubtedly will be an important witness. He had been doing Skelly's lumber yard bookkeeping, devoting two or three evenings a week to the work. It is thought that he was a witness to family rackets. On Thursday night of last week, Gans worked on the lumber yard's books. As was sometimes the case, he slept at Skelly's house after he had finished his work.

Friday morning early, Gans is said to have guessed the hour to have been 4 o'clock, he was awakened by someone pounding on his door. He replied, Skelly's voice asked him if he was asleep. Gans answered he had been asleep until awakened just then. Skelly asked him what that noise was, and Gans replied that he had heard no noise. Skelly left, and Gans went to sleep.

Gans was awakened by screams. He got downstairs as quickly as he could, and arrived as Mrs. Skelly was being brought into the house. To him, Mrs. Skelly is said to have made a statement.

No Bail Allowed

Attorney Rutan in asking for bail stated that it should be given owing to the illness of the man and so that he might attend to his business, the circumstances being such that bail could be given. District Attorney Davis contended that under the law, no bail could be given until the preliminary examination. The justice refused bail and committed Skelly to the custody of the sheriff.

Mrs. Lewis' Statement

It seems to be generally conceded that the testimony of Mrs. Lewis as to what her daughter told her will never go before a jury, should Skelly be held for trial and tried, for the reason that it is not competent under the rules of evidence. What Mrs. Skelly said in the presence of the defendant will be judged differently as to admissibility.

An attachment suit was brought today by a Westminster lodge, of which Skelly was treasurer, against Skelly for the amount due the lodge. Attorneys Daniel & Daniel represent the lodge. Sheriff Lacy served the papers on Skelly at the hospital today, and went to Westminster to attach property there.

HYDE CASE MAY GO TO JURY TONIGHT

Defense Attorney Pleads for Three Lives—Jury is Moved to Tears

KANSAS CITY, May 13.—Dr. Bennett Clark Hyde, whose spectacular trial for the alleged murder of millionaire Thomas Swope is nearing an end, said today that he expects an acquittal before night. He declared that he is not superstitious, and that Friday, the thirteenth, has no terrors for him.

The case will go to the jury today. If acquitted, it is improbable that Dr. Hyde will be tried on the remaining ten indictments. Mrs. Hyde is in a delicate condition, and her friends fear she will collapse.

Declaring that not only the life of the defendant, but that of his wife and her unborn child depended on the verdict, Attorney Brewster made a strong appeal for the Hyde defense today.

He appealed personally to the juror whose son is serving a term in prison for manslaughter, convicted on circumstantial evidence. The juror's eyes and those of Hyde and his wife were filled with tears when the attorney finished.

Prosecutor Vigilant Conklin will close for the prosecution today and the jury will probably take the case tonight.

SNAPPY SUITS

Our splendid success in clothing young men with the sort of clothes they delight to wear is well known.

We devote a great deal of attention to the requirements of vigorous young men, and are always able to show them just exactly what they want.

The fabrics this season are Cheviots and fancy Worsted in many new effects. The colorings are the handsome new gray effects and the new shades in stone, steel, etc. The patterns many of them are stripped but can not be called "noisy."

Special new features in the cut and the shaping of back, front, lapels, cuffs, and pockets, and in the hang of the trousers. All the new details and kinks of tailoring have been honored.

Suits \$12.50 to \$30.00
